IDEON[®]

CALIFORNIA BORN AND BRED

EST. 1996

WHO WE ARE

With the fastest lead time in the industry, IDEON® offers high-quality seating that combines award-winning design with intelligent ergonomics. From healthcare to higher education, we've been the go-to destination for built-to-order seating since 1996.

Born and bred in California, all of our key collections are designed in-house and rigorously tested for quality control, strength and durability. We make customization easy—our user-friendly ChairBuilder® tool lets you design your dream chair with just a few clicks. With chairs, sofas and stools for every desk, space and environment, the possibilities are endless.

Discover premium seating solutions—at a fraction of the price.

OUR BUILT-TO-ORDER PROMISE

Custom-designed chairs, no waiting. Our lean manufacturing operation means we can complete built-to-order lounge seating orders in just 10 days. That means we can build the chair you want—and deliver it when you want it—at a price no one else can match.

FASTEST SHIPPING IN THE INDUSTRY

Discover the only lounge furniture brand with a 10-day lead time promise. Our highly efficient production cycle means we can sync orders and avoid off-schedule shipments at a rate our competitors just can't match. From start to finish, we maximize efficiency in every single area—whether it's sourcing and logistics or assembly and production.

1 modular line. a million different ways.

Your next space planning challenge? Handled.

From armed and armless models to tablet arms and magazine racks, the Visit Modular is a conveniently customizable line of lounge seating that works just about anywhere—from university student unions to waiting rooms and breakrooms. The optional back hook keeps your arrangement mobile so you can switch things up whenever you want, however you want—all day long.

TEXTILES: SitOnIt – Honeycomb, Bluebell (back); Arc Com – Prism, Sky (seat)

power up

Charge while you work. Crafted with minimal seams for smoother integration and a cleaner look, our new power units can be installed on either the front or sides of our models.

TEXTILES: SitOnIt – Code, System (back); Momentum – Oath, Foothill (seat)

low profile. high comfort.

Discover high-quality comfort that's built to last. Each chair is crafted from a special, open-cell foam for better spring-back and resilient, long-lasting comfort.

TEXTILE: Maharam – Tailor, Iron

small space solutions

Tight quarters? No problem. Armless arrangements take up less visual space and make it easier to get in and out.

study group friendly

Relax in between classes—or squeeze in a last minute review session. Designing comfortable hang out spots that double as work stations for both students and faculty helps foster a vibrant, thriving learning community.

TEXTILES: Momentum Beeline Forge (back); Designtex Boreas Mustang (seat)

mix. match. make it your own.

Add a pop of color. Create custom, versatile arrangements to complement all kinds of spaces with over 1,200 textile options that ship in just 10 days.

TEXTILES: CF Stinson – Script, Purple Passion; CF Stinson – Mica, Grass

reimagine your breakroom

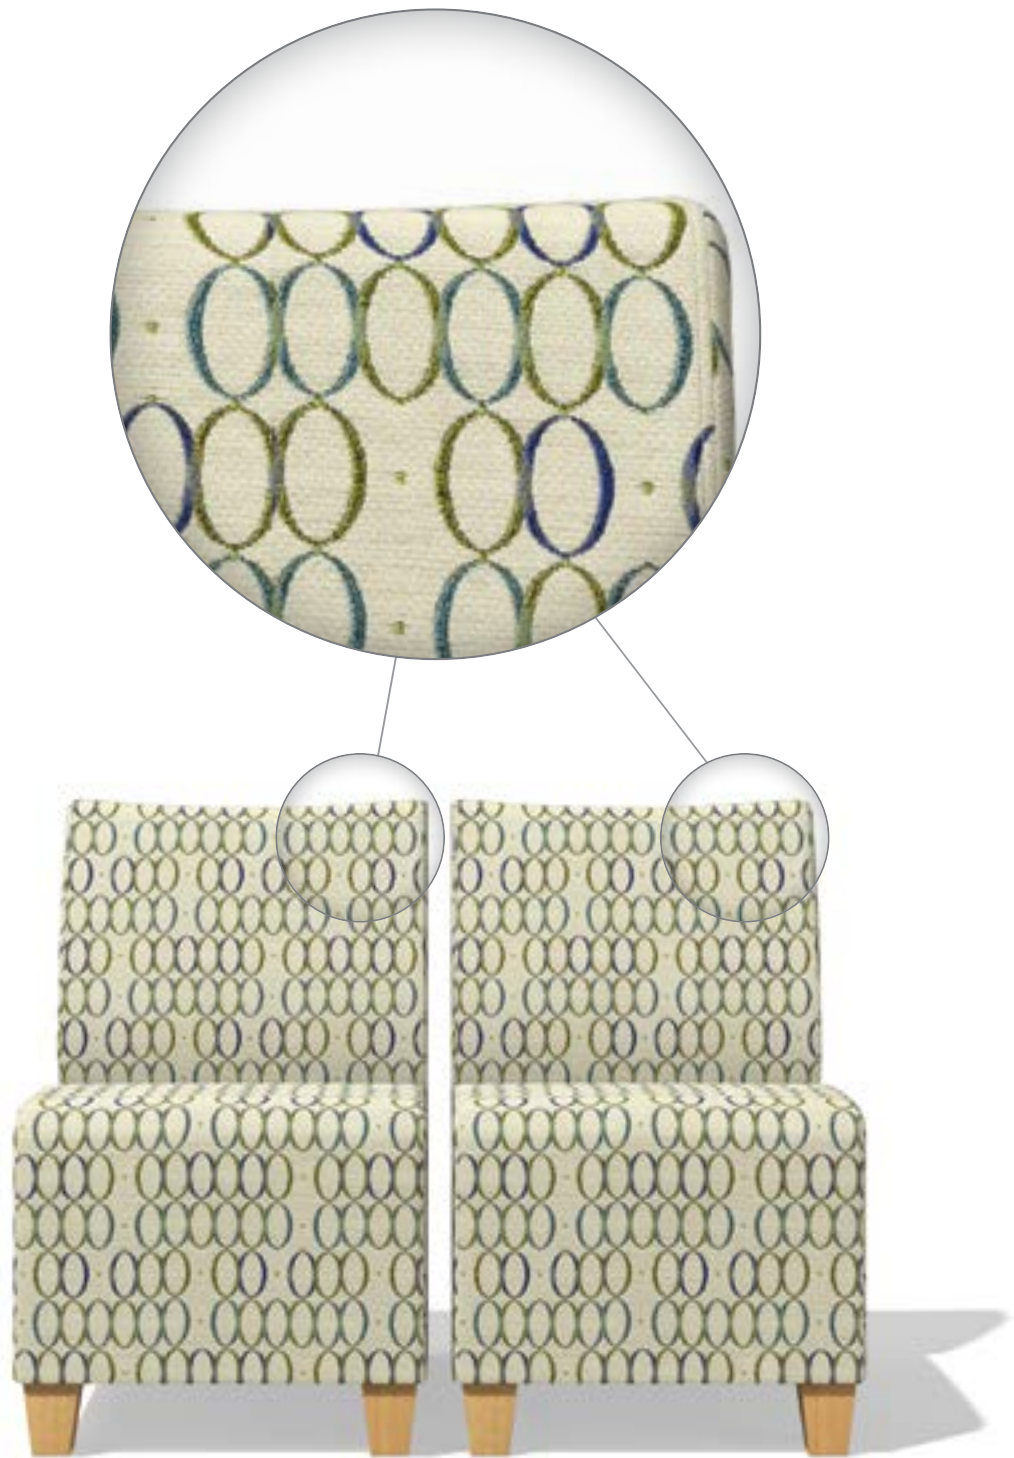

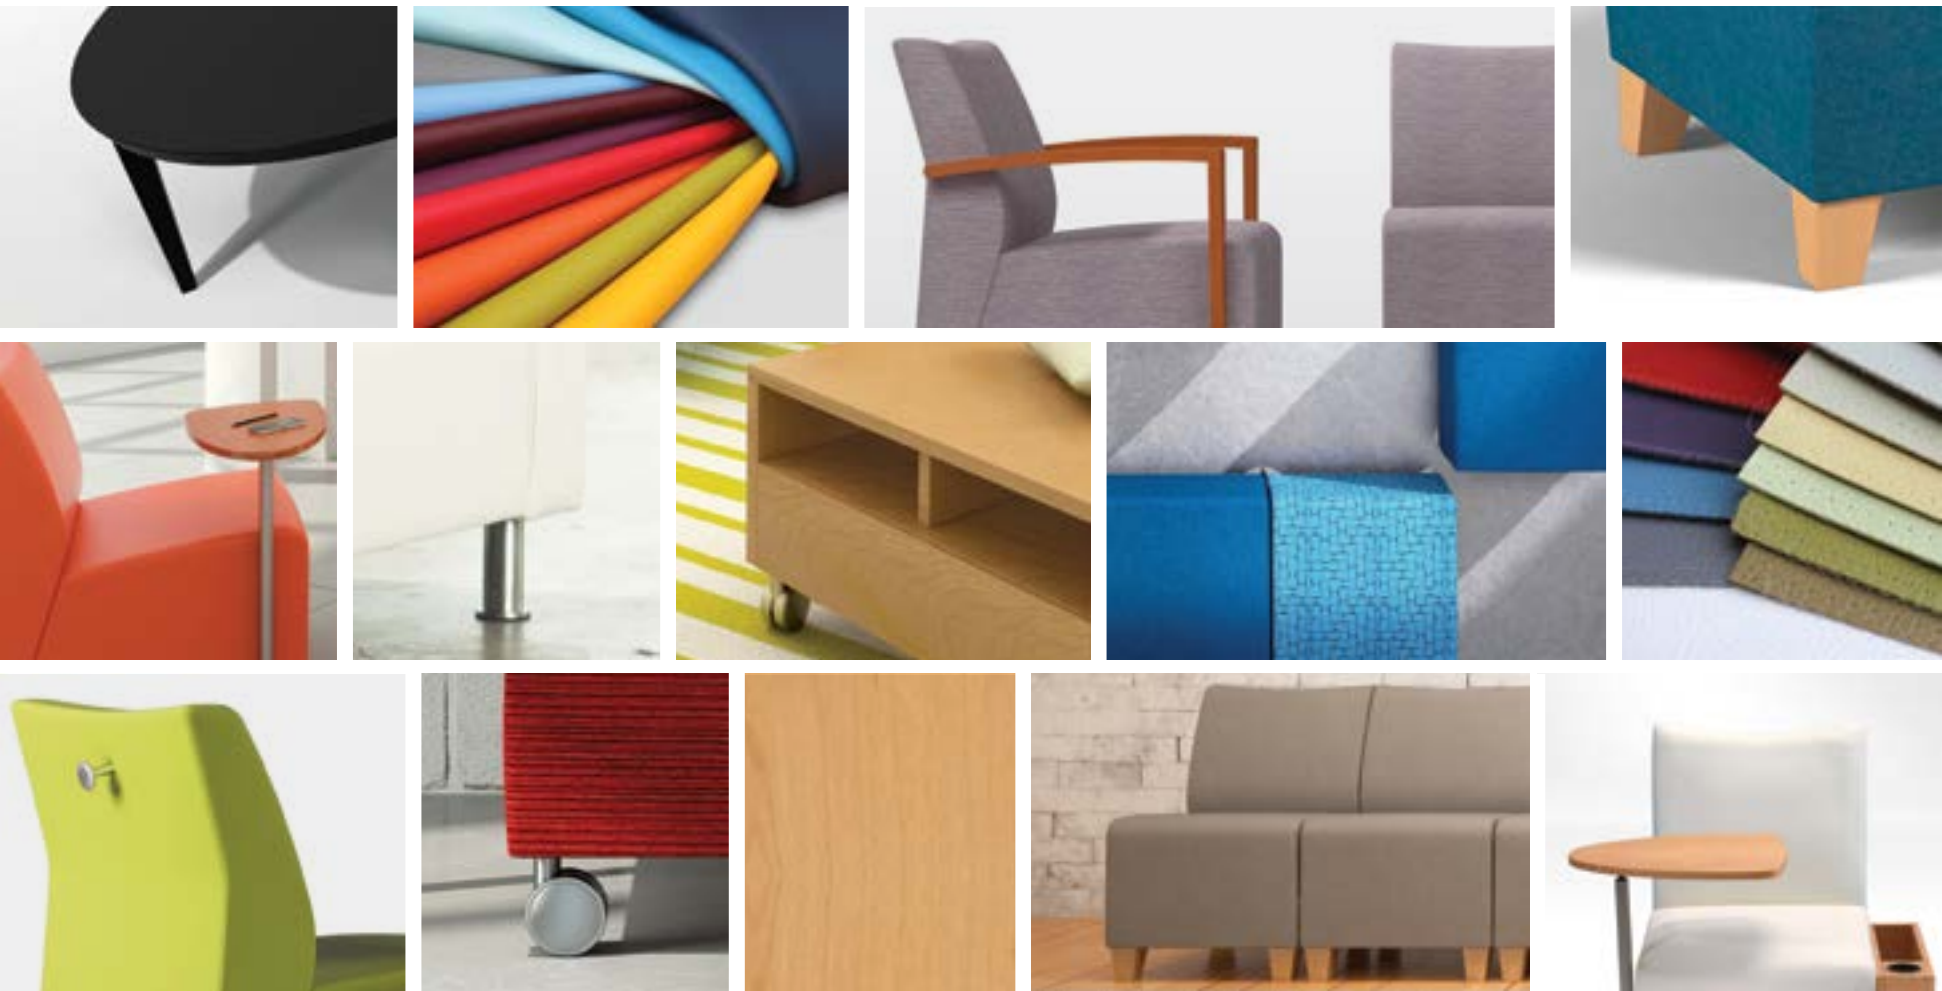

Did you know that periodically stepping away from your desk actually makes you more productive?
Offer convenient and inviting places to recharge and relax to help your employees stay engaged.

TEXTILES: SitOnIt – Slide, Lemon; Maharam – Tailor, Alpine

it's all in the details

Tailor your solution from top to bottom—whether it's adding a tablet arm for a training room set up or a magazine racks for your waiting room arrangement.

DISCOVER PATTERNMATCH®
Our exact pattern matching service lines up patterns on each chair component (back, front and valence) for a precise, unified look.

options for days

From magazine racks to multiple foot and caster options, we’ve got a myriad of different ways to personalize your Visit.

THE MODELS

Pick and choose what you need to design the arrangement that best suits your space.

Armless

Right Arm

Left Arm

Both Arms

Ottoman

THE ARMS

Espresso

Stain-to-Match

a closer look

FRAME CONSTRUCTION

THE FEET

Warm up with wood. Or go for a more contemporary look with steel. Also choose from locking and non-locking casters.

Standard Plastic, Black

Wood Tapered Square

Wood Tapered Cylinder

Metal 1.5" Pole, Brushed Aluminum

Metal 1.5" Pole, Silver Powder Coat

Metal Angular, Brushed Aluminum

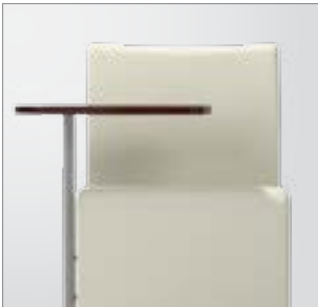

Black (Non-locking + Locking)

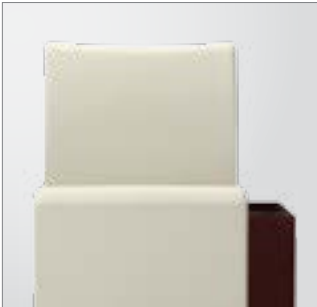

Silver (Non-locking + Locking)

THE EXTRAS

From magazine racks to power units, we've got what you need to personalize your arrangement.

Tablet Arm (black, silver)

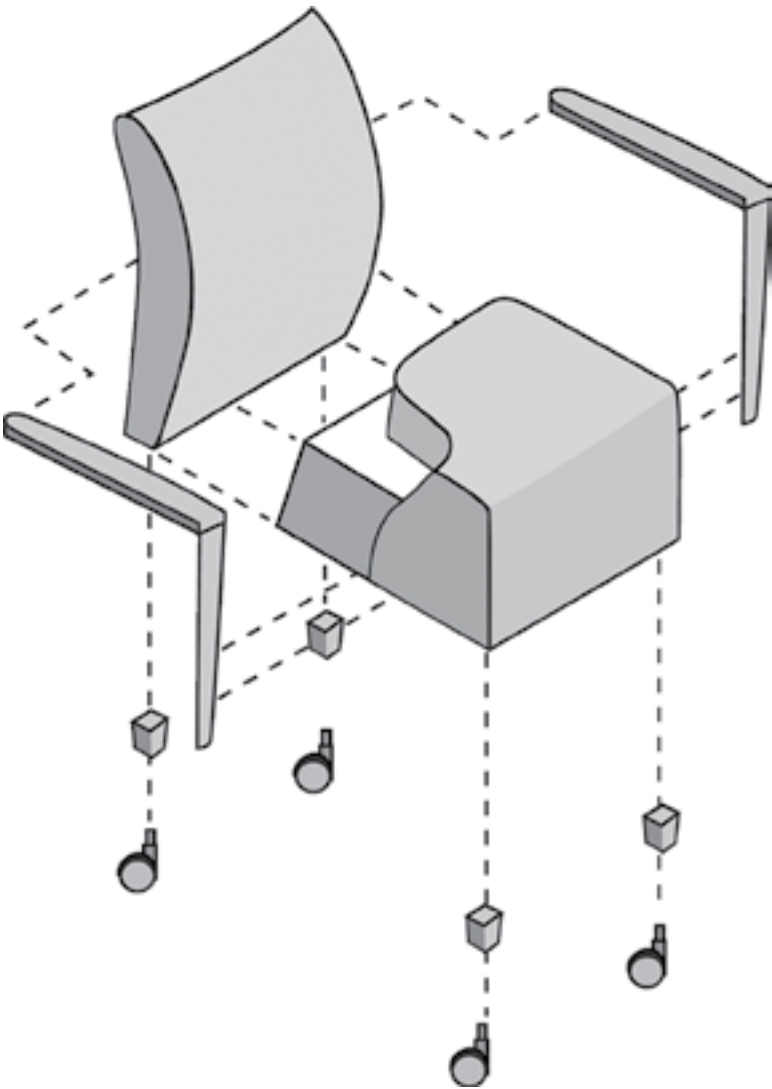

Magazine Rack

Hook/Handle

Power (black, silver)

To craft the sturdiest frame possible, we used high-strength plywood with interlocking wood joints for long-lasting performance. The convenient, modular assembly makes field replacement of all our parts simple, ultimately extending the life of the product.
