

## ELLIE'S PLACE

**Location:**  
**Seattle, WA**

### Ellie's Place

Ellie's Place, located on the 4th Floor of the King County Courthouse, houses three programs: Children's Justice Center, Regional Domestic Violence Firearms Enforcement Unit; and Project Safety. The spaces provide comfort to child victims and their families as they go through interviews, court hearings and trials.

### Aesthetics

While Ellie's Place is located in the King County Courthouse, they wanted the spaces to have a warm, inviting feel. The waiting room is decorated with tranquil colors and comfortable furniture. The children's area is filled with bright colors, toys, books and cozy chairs.

### The project called for:

- Waiting Room Furniture
- Coffee Station
- Bookcases
- Children's Area

**Waiting Room:** For the front waiting room the client chose a Ideon Composium Curve sofa, and three Ideon Composium Curve club chairs. The client also wanted to have a oval coffee table and a round side table in a finish that matched their existing wood trim finish. A local manufacturer, Gavco, created custom tables to fit the customer's needs.

**Coffee Station:** For the coffee station, the client wanted to have a coffee station made to fit in a 68" wide x 24" deep space. Gavco created a custom piece for the space with doors and shelves.

**Bookcases:** For the hallway, the client wanted a bookcase to store children's books and matched the other pieces in the office. Gavco created a custom piece with adjustable shelves.

**Children's Area:** For the children's area, the customer chose three Ideon Composium Curve club chairs in fun, bright colors to match the artwork and rug in the space.
